

SRH3

Heat shrinkable thick wall tube

halogen-free, shrink ratio 3 : 1, with or without adhesive

Characteristics

- Thick wall
- Inscrutable
- Resistant to chemical agents
- Stabilized against UV rays
- Free from paint-wetting inhibiting substances
- Halogen-free
- Non-corrosive
- Infusible
- Superior electrical properties
- High tensile strength
- Resistant to cold flow (thermally stable)

Type	L m	Inner - Ø mm		Recovered wall thickness mm	Art.-No.
